\*  **Prayer of Adoration and Praise (in unison):**

Liturgist: Millie Sivak

God of creation, we give thanks for the goodness of the earth that you made and sustain. Our voices join in praise with all creation: with the sea that roars, the trees that clap their hands, and the birds that sing in joy. Unite us by your Spirit, that we may be signs of your abundant mercy as we wait for the completion of your creation in Jesus Christ, in whose name we pray. Amen.

\* **Exchange of Peace (responsive)**

Leader: May the peace of our Lord Jesus Christ be with you.

All: And also with you.

\*  **Gloria Patri – alternative tune: Hymn # 807 in blue hymnal and page 4 of this bulletin**

\*  **Prayer of Illumination (non-responsive, please be seated)**

\* 🙏 Prayer of Thanksgiving/Offertory Prayer: (unison)

**God of all giving, through your Son Jesus Christ, you have shown us ways to live in service to one another. Following his example, let us obey you with willing hearts and let us serve one another with holy love. Amen.**

**Sharing of Joys and Concerns**

🙏 Rogation Prayer<sup>1</sup>: (responsive)

Pastor Jessica

Leader: O gracious Father, you open your hand and fill all living things with abundance:

Bless the lands and waters, and multiply the harvests of the world;

**All: Send forth your breath, and renew the face of the earth; show your lovingkindness, that our land may yield its increase; and save us from selfish use of what you provide,**

Leader: We ask your blessing today upon those who provide our food. Bless the farmers who make the food and the manufacturers who make the goods that we consume; bless the distributors and the drivers who go the extra mile to make our groceries handy; bless the stockers and the shelvers who put all things in their place; bless the clerks who care for the customer and the cashiers who count their money; bless the baggers and the bakers and the butchers, too; bless the night crews and the day crews; and bless the managers who direct it all.

**All: Thanks be to God, who made the world teeming with variety: things on the earth, above the earth, and under the earth. Thanks be to God for the many kinds of plants, trees, and fruits. For the centipedes, ants, and worms, for the mice, marmots, and bats, for the cucumbers, tomatoes, and peppers we rejoice, that we find ourselves eclipsed by the magnitude of generosity and mystery.**

Leader: Now hear us as we pray together the prayer our Savior taught us saying,

*The Lord's Prayer:* Our Father, who art in heaven. Hallowed be thy name. Thy kingdom come; thy will be done. On earth, as it is in heaven. Give us this day our daily bread. And forgive us our debts as we forgive our debtors. And lead us not into temptation, but deliver us from evil. For thine is the kingdom, and the power and the glory forever. Amen.

\* 🎵 **Hymn # 714**

**God of the Fertile Fields**

*Why have these symbols appeared in the bulletin?* 🎵 🖐️ 🎹 🙏 These symbols are to assist folks attending our worship service who respond better to social cues when they are visualized. We want everyone to feel comfortable and confident when they attend worship and these small additions may help neuro-divergent folks to do just that. 🙏 = prayer, 🎹 = music to listen to, 🎵 = music to sing to, 🖐️ = clapping is appropriate.
